ABOUT US

Globally known as a premier supplier of reliable interactive kiddie rides, SB International was born more than 35 years ago on the shores of Lake Vättern, in Sweden. Since then, the company has become a leading manufacturer of top quality miniature vehicles ranging from cars of different kinds to trucks, tractors, boats, and diggers.

Except for the excavators, all our products are battery-operated. The vehicles run efficiently during the full day without recharging.

OUR CLIENTS, OUR BEST WARRANTY

Not only large amusement parks, such as Universal Studios in Japan or LEGOLAND in Florida, but also small companies (e.g., family farms, or campsites) trust us.

Our customers highlight the quality and durability or our vehicles.

5,000+ UNITS DELIVERED TO 35+ COUNTRIES

Thanks to our agents, partners, and logistics hubs, we deliver our products worldwide.

Do not hesitate to ask for further information or a personalized quotation according to your needs.
